

UPC eProsecutor®

If you forget your password, you need to enter your user name and THEN click on the "I forgot my password" link. It will send you an email with a link in it that you can use to login with a Temporary password.

This will ALSO WORK if your password has expired. You MUST put in the correct user name first though.

eProsecutor replacement login information for ratester

noreply@journaltech.com
To: Ronald Weight

2:52 PM

ratester

A request to reset the password for your eProsecutor account has been made.

Please click on the link below or copy and paste it in your browser:

<https://upc-prod.journaltech.cloud/passwordReset.jsp?userId=10156&token=fad4160303883b253844fb94a8489dfd>

This is a one-time login, so it can be used only once. It expires after 1 hour(s) and nothing will happen if it's not used.

After logging in, you will be redirected to your user profile page so you can change your password.

This is the email you get when you click on the I forgot my password. Click on the provided link and then input your 2FA code. Once you are logged in, you will need to change your password immediately. As it mentions, this is only good for 1 hour and nothing happens if you don't do this.

Log in - UPC eProsecutor | User Security Profile Screen - U | X

You've logged in with a temporary password, please update your password now.

My Account

Username: ralester

Real Name: Ron A Tester

Email: rweight@agutah.gov

Your Password:

- must be between 10 and 50 characters long
- must contain lowercase characters
- must contain uppercase characters
- must contain numeric characters
- must contain non alpha-numeric characters
- must not match any of the last 10 passwords used

New password:

Confirm new password:

Save & Close | Close Settings

This is where you go when you click on the link you received in email. Change your password here (making sure it complies with the requirements shown) and save it. Once you do that, you will be shown that it completed successfully. You do NOT have to log out. You will stay logged in with your new password until you log out again. It also updates your password expiration date to 90 days in the future.
